

PKF in Russian-speaking countries

about us

an international network with a broad focus

Set on a vast, varying and beautiful canvas, the Eurasian continent is home to millions of Russian speakers and presents increasingly attractive business opportunities due to its abundance of natural wealth, traditionally high level of education, bustling metropolises and its key location between Europe and Asia.

With a diverse presence in the Russian-speaking areas, PKF member firms offer local expertise and a unique understanding of local markets, backed by the resources of an international network.

how we work

The PKF member firms of Russian-speaking Cluster offer quality, innovative business solutions to meet the evolving needs of dynamic organisations on a challenging continent. Service is personal, team members are hands on, and we listen to our clients to understand their needs.

The steering team of the cluster, alongside with a dedicated Russian-speaking PKF International staff, can seamlessly connect you with any of our member firms across the region and within the international network to give you the best advice and support - wherever you are in the world.

tradition and
innovation
meet

our services

PKF member firms of the Russian-speaking cluster specialise in solutions relevant for the region, providing a wide range of services to a variety of clients, from foundations and charities to publicly listed companies. These include:

- business formation
- complete start up and back office solutions
- valuation of businesses
- project audit

Each team is led by a partner who will attend to you directly and serve as your regular point of contact. This partner will be assisted by a specialist industry-focused partner from any of our EMEI member firms, as necessary.

With the variety of languages spoken across EMEI, the PKF team will ensure that your communication needs are met and that expectations are clear.

As a client of a PKF member firm, you are assured of:

- a partner-led service
- knowledge of the local business landscape
- a team that works hard at understanding your specific business and its needs
- rapid access to technical guidance through support clusters throughout the region
- seamless continuity of service for your international business
