

PKF in Benelux and German border

regional collaboration based on a long tradition

Situated in Western Europe, Belgium, the Netherlands, Luxembourg and the German cities of Cologne and Osnabrück stand out from the rest of the region with their exceptional drive for service excellence. Always a step ahead in terms of integrity and unity, they form a unique economic and cultural identity.

The Benelux Cluster is an example of successful cooperation and economic integration. Located in the heart of the European Union the cluster is a historical centre of trade and culture. This dynamic cluster has developed exceptional relationships within Europe and the wider world.

Our members provide services to all major sectors forming cornerstones of the European economy, including:

- agriculture and production
- banks and insurance companies
- capital markets and the consumer goods industry
- health care system and social services
- hotel and tourism
- investment companies
- media technology and IT services
- logistics
- public sector
- energy and resources
- automotive and real estate

With a diverse presence throughout the region, PKF member firms offer local expertise and a unique understanding of local markets, backed by resources of the cluster and the international network.

how we work

The PKF member firms of the Benelux region offer services tailored to meet the needs of multicultural and multilingual clients living in the area.

Service is personal, team members are hands on whether it is assurance, compliance or advisory services. We deliver the highest standards to our clients in everything we do, to enable them to improve their performance, achieve their goals and excel.

By collaborating regionally with support of the global network, firms in Benelux, Cologne and Osnabrück ensure providing top quality services for most demanding clients.
