

PKF in Latin America

about us

# an international network with a Latin American flavour

Stunningly beautiful and full of contrasts, Latin America is made up of a very interesting variety of ethnicities and cultures that make it one of the most colorful and rich territories around the globe. The Latin American region has a population of over 500 million people in 18 Spanish-speaking and one Portuguese speaking country.

Covering a large area of varied landscapes and climates, Latin America has extraordinary diversity, packed with exciting business opportunities and growth prospects, with a unique spirit, traditions and ways of thinking.

With a presence in each of the countries of the Latin American region, PKF member firms offer global expertise with local knowledge.

## how we work

The PKF member firms of the Latin American region have professionals in each country who live the values of the PKF network. Experience, professionalism and commitment are the pillars on which our firms are based.

experience,  
professionalism  
and  
commitment

our global network

---

# PKF is around the corner and around the world

PKF is a global family of legally independent firms bound together by a shared commitment to quality, integrity and the creation of clarity in a complex regulatory environment. We are passionate about building long term relationships based on teamwork, trust and a deep understanding of our clients' circumstances and business.

Our family consists of over 400 offices, operating in 150 countries across five regions. We specialise in providing high quality audit, accounting, tax and business advisory services to international and domestic organisations in all our markets.

PKF International Limited is a member of the Forum of Firms - an organisation dedicated to consistent and high quality standards of financial reporting and auditing practices worldwide
