11. My child has a savings account with Pioneer Mutual Credit Union Limited. What will happen to his/her savings?

For junior members, FSCS will send a payment in the name of the account holder for the balance of their account at the date of default. If the account is operated by an adult on behalf of the child, the cheque will be sent to the account operator's address, if that has been registered with the credit union, but the payment will be issued in the child's name. A new account in that name will need to be opened with an alternative provider. We cannot pay to parents or guardians.

12. I hold a Child Trust Fund account with Pioneer Mutual Credit Union Limited. What do I do?

If you are the holder of a Child Trust Fund account, the process for FSCS to reimburse your savings is different to that for other account holders. Payment can only be made to an alternative Junior ISA provider rather than returned directly to the account holder. The Administrators will shortly be writing to the registered holders of Child Trust Fund accounts with Pioneer Mutual Credit Union Limited with further information about this.

13. I make regular payments to my account each month by standing order. Should I cancel the standing order now?

If this payment relates solely to savings, you should cancel it as no further money will be credited to your savings account. You can cancel the standing order at any branch of your bank or building society, over the phone or via secure online banking. However, you will need to give your bank/building society a couple of days' notice before the payment is due to come out of your account. If your standing order also relates to loan repayments do not cancel it and please see point 14 below.

14. I had a loan with Pioneer Mutual Credit Union Limited. Will I have to repay it, and should I cancel the standing order?

Do not cancel any repayments as your loan agreement remains in place and you must maintain your repayments as originally contracted.

Future loan repayments will be managed by the Joint Administrators, Dina Devalia and James Sleight of PKF Geoffrey Martin & Co Limited who will contact you about this and provide you with the Administration bank account details as soon as they are able to.

If you made payments covering both loans and savings then the Administrator will be able to advise you of the net payment required to be made each month in respect of your loan so that you do not fall into arrears.

For further information about your loan, please call in the first instance 0141 432 1250 or 0141 881 1353 or alternatively on 0113 244 5141; or email pioneer@pkfgm.co.uk and they will look into your query.

Pioneer Mutual Credit Union Limited is no longer accepting loan repayments through a service point, please contact the Joint Administrators' team on 0141 432 1250 or or 0141 881 1353 or alternatively on 0113 244 5141; or email pioneer@pkfgm.co.uk to discuss arrangements for the repayment of your loan by alternative means.

15. Can I open up an alternative credit union account?

Members/junior depositors who wish to open a new credit union account can do so with alternative credit unions. The website <https://www.findyourcreditunion.co.uk/> may help in seeing the options available.

16. A payment was transferred into my credit union account around the time FSCS declared Pioneer Mutual Credit Union Limited in default. This amount does not appear to have been credited. Will the balance on my account be updated to reflect this payment?

FSCS will receive information from Pioneer Mutual Credit Union Limited which will detail the individual credit balances of all accounts held by its members at the date of default, 3 March 2021. Any amounts paid into the account after the Administration date will not be added to your savings balance and will be dealt with by the Joint Administrators, who you can contact in the first instance on 0141 432 1250 or 0141 881 1353 or alternatively on 0113 244 5141; or email pioneer@pkfgm.co.uk

17. Do I need to notify FSCS if I have recently changed address?

FSCS will send payment to the address that Pioneer Mutual Credit Union Limited holds on its database.

If you did not notify Pioneer Mutual Credit Union Limited of your change of address before it was declared in default, or you notified Pioneer Mutual Credit Union Limited of this change but did not receive confirmation from it that its records had been updated before it was declared in default, FSCS will need to see evidence of the change of address before any compensation payment can be made.

Please contact the Joint Administrators' team in the first instance on 0141 432 1250 or 0141 881 1353 or alternatively on 0113 244 5141; or e-mail pioneer@pkfgm.co.uk and supply the team with evidence of the change of address. Once confirmed, FSCS will be instructed to make payment to the new address.

Documents that can be used as evidence include a council tax bill, a utility bill (not a mobile phone bill) or benefits entitlement letter, so long as they are less than three months old.

18. Do I need to notify FSCS if I have recently changed my name?

If you have already banked the cheque payment, you do not need to take any further action. If you have *not* received your payment or are unable to bank the cheque provided in the name it is sent in, we will need to see evidence of your name change before any payment can be made.

You will need to provide original documentation or certified copy of an official document showing your change of name - for example a marriage certificate or deed poll - and this will allow us to update our records and process the claim.

Please contact the Joint Administrators' team on 0141 432 1250 or 0141 881 1353 or alternatively on 0113 244 5141; or email pioneer@pkfgm.co.uk with evidence of the change of name and once confirmed they will instruct FSCS to make payment in the new name.

Documents that can be used as evidence include marriage certificate or a deed poll. Additionally, you will need to provide a council tax bill, or a utility bill (not a mobile phone bill) or benefits entitlement letter with your new name, so long as they are less than three months old.

19. I am the executor of a depositor who has recently died. Do I need to contact FSCS?

If the estate has already banked the cheque payment, you do not need to take any further action. If the estate has not received the payment, you will need to send FSCS the original Death Certificate, Grant of Probate and a copy of the will or letter of administration. These should be original documents. These documents are required before FSCS can make a payment.

However, should you wish to contact FSCS regarding any issues that you may have, please call freephone 0800 678 1100 or 020 7741 4100. Lines are open Monday to Friday 08.30 to 17.30.

Alternatively, you can send these documents to the Joint Administrators by email to pioneer@pkfgm.co.uk or by post to **Pioneer Mutual Credit Union Limited c/o PKF Geoffrey Martin & Co Limited, 3rd Floor, One Park Row, Leeds, LS1 5HN**. The Joint Administrators will then contact FSCS to enable the compensation payment to be made.
